Sheep

Reserve Senior Champion white Dorper ram.
Champion Group of three.

Students:

Friday: Dorper handlers class, Allison Smith-Romans Year 9, 1st Place in the Handlers class, Doug Willis 2nd Place and Maddy Eather 3rd.

Sunday:

Maddy Eather 5th in the Merino wool judging and Chloe Crowfoot also made the finals.
Doug Willis 2nd in the Schools Handlers Class.

Mr David Piper Agriculture Teacher

SCHOOL SPIRIT WEEK

Last week Mr Leigh Rice SRC Co-ordinator, SRC, students and staff took part in a number of activities throughout the week which culminated with an SRC fundraiser on the Friday for the Butterfly Foundation. The Butterfly Foundation provides support for people affected by eating disorders and negative body image. Students and staff had an out of uniform day and dressed in blue helping to raise awareness of the disorder. Entertainment at lunch time was provided by Mr Doug Gordon and the Support Band while the students and staff enjoyed the SRC sausage sizzle, which was most welcome on a very cold day after lunch the day ended with a netball competition between staff and students.

Principal's message.....

The middle of the term is here. Students should be preparing for their in class tests and assessments, which started this week and will continue until the end of term. Revision, asking questions and completing tasks to the best of their ability is essential for students to achieve their best.

Thank you to Mr Rice and the SRC for the organisation of SPIRIT WEEK. Students had the opportunity to have some fun and raise money for very worthwhile organisations such as The Butterfly Foundation. Some of the activities included a delicious breakfast to get the day started on Monday, sporting challenges and meal deals to fill the hungry tummies. Students and staff dressed in blue last Friday to support the Butterfly Foundation which was an excellent way to conclude a great week.

Netball has started and Delroy was able to enter 5 teams, boys and girls in the school competition. A great day was had by all and we look forward to participating in more events in the future.

Winter has finally arrived. Please ensure students have the correct uniform and stay warm so we all stay healthy during this change in season.

Thank you to staff and students for their support during my time as Relieving Principal this term.

A very important announcement.

A huge THANK YOU to Mr Leigh Rice. Mr Rice and his family are leaving Delroy and Dubbo on an adventure to Sweden. Mr Rice has been on the PDHPE staff for a number of years and he has been the SRC coordinator for most of the time he has been at Delroy. He has organised many activities for example, ANZAC ceremonies, student voice lessons, BBQ's, School Spirit Weeks, discos, SRC camps, Duke Of Edinburgh expeditions, fundraising activities, sporting challenges, Remembrance Day ceremonies, to name a few. In addition he has been a very active member of the PDHPE staff as a teacher and a sports coach. Mr Rice has developed an excellent rapport with staff and students alike. We thank him most sincerely for all his time and effort while working at Delroy. We, as the Delroy community and as part of the wider Dubbo community, wish Leigh and his wife and children all the very best in their future endeavours and maybe one day some of us will visit them on the other side of the world. GOODBYE AND GOOD LUCK MR RICE.

Miss Kathryn Bermingham Relieving Principal

Music News

Vocal workshop

In preparation for the Eisteddfod and our upcoming Canberra Tour, Dubbo College Vocal Ensemble met at Delroy Campus Friday 17 May. The day was a great success with all students learning two full pieces in four part harmony. The vocal ensemble students have worked really hard to put these pieces together and can't wait to show off their talent both at the Eisteddfod and in Canberra.

Band workshop

The Dubbo College Band workshop commenced on Thursday 23 May. All three campuses polished pieces for the Eisteddfod and due to the amazing effort from all students went over pieces for the Canberra Tour. These workshops are extremely beneficial to all students for the improvement of their playing, instrumental technique and playing as an ensemble with a group of musicians.

Upcoming Eisteddfod

Monday 3rd June – Delroy Ensemble Eisteddfod

Monday 3rd June – Dubbo College Concert Band

Thursday 6th June – Dubbo College Vocal Ensemble55

We wish all instrumental groups the best of luck.

Canberra Tour

It's getting closer!!!!!! Week 9 Term 2, students from the Dubbo College Concert Band and Choir are touring Canberra, Wednesday, Thursday, Friday and Saturday, showcasing the amazing talent we have here in the College. All students are hard at work preparing for this week.

Students attending, don't forget payments!

All community members are welcome to attend a Bon Voyage concert on the Tuesday night before we leave, where we will be showcasing the pieces we are taking on tour with us.

Miss Brooke Tonks CAPA/Music

Juggling Joshua!

Ms Hall and Mr Woodhead would like to congratulate Year 10 student, Joshua Aubila, on his commitment and recent achievement in Circus. Joshua has worked extremely hard both inside and outside of class to build his juggling skills. This week he successfully gained the highest level in juggling, level 6. Through Joshua's dedication and hard work he performed an entertaining juggling routine (including knives... yes knives!) to both Circus West and the 9/10 Circus class. Congratulations Joshua!

***Ms Jemima Hall
CAPA/Drama and Circus Teacher***

There has been a lot happening in Careers over the last few weeks. I am very impressed with the large numbers of students who are participating in Careers activities which helps young people make informed decisions about future study and career pathways.

In late March students were given an opportunity to go to Charles Sturt University, Orange Campus to participate in Agriculture, Physiotherapy, Anatomy and Pharmacy workshops. This was open to students in Years 9 and 10.

MEET A KEEPER

Taronga Western Plains Zoo hold an event each year for students in Years 9 and 10 called 'Meet a Keeper'. This visit to the zoo takes students behind the scenes to look at the role of zoo keepers in caring for animals, maintaining enclosures and the important role keepers play in the conservation of endangered animals around the world. Zoo keepers talked to the students about their daily routine with the animals they look after and shared with students the best parts of their jobs and the mundane tasks that they needed to do, which usually involved cleaning up animal waste and lots of it. In terms of Careers, keepers informed students that it was a really competitive industry to get into but extremely rewarding work. Keepers encouraged students to participate in Youth at the Zoo programs and Zoo Work Experience (applications come out later this year for Work Experience during 2020).

MEDIA WORKSHOP

Journalist and radio broadcaster, Stephanie Aceglav came to Dubbo College to help students experience a career in journalism, communications and media. During the workshop students were taught how to write a news article and condense the information so it could be presented as a 90 second news story for television and radio broadcasting. Stephanie also spoke to students about coping with deadlines when working as a journalist and about which news platforms they could use now to present their writing, podcasting, photography or sports commentary. Alex Smith and John Toohey from Delroy were involved in this workshop.

TRY-A-TRADE

Thirty students took part in the Try-a-Trade excursion to Mudgee High School. There were 25 businesses from the Mudgee region who provided students with small hands-on activities to show their trade. Employers also provided students with information on how to access apprenticeships in these trades. Students particularly enjoyed making coffee, floristry, bricklaying, plumbing, hair and beauty. This event is held every year and is open to all students in Year 10.

WHITE CARD

Twenty students were able to complete their General Induction Training – White Card at Delroy Campus last Wednesday. Mr James Peter Head Teacher of TAS faculty, a registered trainer was able to train and assess students. The class was made up of students who needed a White Card for them to be able to complete work experience in construction industries. The Department of Education requires students who are on work experience to have a White Card that is delivered face to face.

WORK EXPERIENCE

Several students from Delroy have undertaken Work Experience. Well done to all of these students who have taken the initiative to find an employer, meet with them and work hard for the week to see what various jobs are like.

STRIVE Class Scoop....

Year 8 Report:

As this newsletter goes out, Year 8 Strive are just about to wrap up their major assessments of the term. Last week they completed their English assessment and History exam, and this week had their Maths and Science exams. While students now have an opportunity to 'breathe a sigh of relief', the learning continues through to the end of the term.

We continue in English our study of 'Yarra (To Speak Now)' with students examining a variety of texts that explore the Aboriginal voice, and linking directly to the work studied in History through 'Expanding Contacts'. Students are asked to consider the big question: "Why is it important for the Aboriginal perspective to be shared, particularly in the context of Aboriginal treatment post colonisation?" I have enjoyed the family stories that have been told by students in relation to this topic and thank them for their willingness to share this as part of their learning. I also thank our AEO Gai Dundas who presented aspects of her family history to the class.

We are still continuing our work on 'Algebra' in Maths, 'Lifestyle Diseases' in PDHPE and 'Non-Contact Forces' in Science. Our recent Initiative Games lessons have been concentrating on the difference between communication and effective communication.

Our Class Project continues with students catering afternoon tea for Homework Centre on a fortnightly basis. This project is possible only through the ongoing partnership with Woolworths Delroy Park. In recognition of this valuable support, one of the recipes produced by students each fortnight is inspired by the recipes on the Woolworths website.

Be a host family!

Dubbo Regional Council is looking for host families for students from its two Asian sister cities, Minokamo in Japan (27 Jul - 4 Aug) and Wujiang in China (9 - 14 Aug).

Full itinerary organised for visiting students (English speaking) and their host families.

An enriching experience for all the family!
